

SMALL BUSINESSES, SUPPORTING SMALL BUSINESSES

The Baby Spa Vendor Space

We love supporting local women-owned businesses by creating a space where unique products can be discovered and celebrated. If you have something special you'd love to showcase in our boutique, we'd love to connect and learn more about your business!

Supporting Local Women-Owned Businesses

As a small business ourselves, we understand how important it is to support one another. Our retail boutique was created with the goal of bringing together unique products from local women-owned and small businesses, giving our community the opportunity to discover and support other local entrepreneurs. We offer simple, flexible terms designed to make being part of our boutique easy and approachable

Who We're Looking For

If you own a small business and have unique products that you think would be a great fit for our retail boutique, we would love to hear from you! We are especially interested in products that complement our space and appeal to families, parents, children, and those looking for thoughtful, unique gifts.

Commission

Our commission rate is 25% of the retail selling price of each item sold.

- No rental or monthly fees
- No upfront costs
- You only pay a commission when your product sells
- Vendors receive 80% of the retail selling price
- The boutique retains 20% as the commission fee
- Vendors set the retail prices for their own products

This allows you to get your products in front of new customers while keeping the arrangement simple and low-risk for your business.

SMALL BUSINESSES, SUPPORTING SMALL BUSINESSES

The Baby Spa Vendor Space

We love supporting local women-owned businesses by creating a space where unique products can be discovered and celebrated. If you have something special you'd love to showcase in our boutique, we'd love to connect and learn more about your business!

No Long-Term Contract

We want this opportunity to work for both you and your business.

There is no long-term contract or commitment required. Either party may choose to end the vendor arrangement at any time.

If you decide that the boutique is no longer the right fit for your business, simply let us know and we will arrange for your remaining inventory to be picked up.

Likewise, the boutique reserves the right to end a vendor arrangement at any time.

Product Pick-Up After Cancellation

Once a vendor arrangement has been cancelled, the vendor will have 30 days from the date of cancellation to arrange for and collect all remaining inventory.

It is the vendor's responsibility to ensure their products are picked up within this 30-day period.

Any items remaining after the 30-day pick-up period may be donated to a local charitable organization. Once the 30-day period has passed, the vendor forfeits any claim to uncollected inventory.

We're Excited to Support You!

Our boutique is more than a retail space — it's a place to celebrate and support local entrepreneurs.

We are proud to provide a space where small businesses can showcase their products, connect with our community, and grow alongside one another.

Get in Touch

Interested in becoming part of our retail boutique? We'd love to hear from you!

For vendor inquiries, product information, or questions about becoming a boutique partner, please contact us:

Email: [Your Email Address]

Business: [Your Business Name]

Location: [Your Location, if desired]

Website/Instagram: [Your Website or Instagram]

Please include a brief description of your business and the types of products you offer. We will review your products to ensure they are a good fit for our boutique and our customers.

We look forward to connecting with you and supporting your small business!
